INFORMATION DISCLOSURE STATEMENT

Applicant requests consideration of the references listed on the attached PTO-1449 form.

An English translation of foreign language reference AC is not included, since it is a member of the patent family of English language reference AB.

Applicant wishes to bring to the Examiner's attention co-pending and co-owned non-provisional application serial numbers 10/510,971 (Attorney Docket No. 14875-134US1) and 10/560,098 (Attorney Docket No. 14875-154US1), which concern related subject matter, and some of which have overlapping inventorship with the above-referenced application. Applicant assumes that the Examiner has ongoing access to the files of these related applications and can obtain copies of prosecution documents from the files if at any point in the future she considers it potentially relevant to issues in the present application. Applicant will supply copies of such documents from the related applications' files, should the Examiner request them.

This statement is being filed before the receipt of a first Office Action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: December 21, 2006
